Introducing

BELT BUILDER

at
BND Abrasives & Tapes

Exclusive to BND, our **Belt Builder** allows you to custom size and build your belts to your individual specifications. You can tailor bespoke abrasive to your requirements by selecting your own:

- Length
- Width
- Grit
- Material
- All available with **BULK DISCOUNTS**

We are backed by major partners such as 3M, SIA, Norton and Hermes in order to offer a wide variety of abrasive belts, for a broad range of applications, at competitive prices & bulk discounts.

Search by application

Not sure what material to use? Use our comprehensive application search to find the belt best suited to your needs.

Bespoke results on criteria

Our Belt Builder will bring up the right abrasive belt for you based on your criteria while using **Advanced Search**.

Its as easy as 1..2..3...

Visit our website and select the **Belt Builder**

Custom build your belts with **Belt Builder** and receive an upto date cost based on your selections, giving you the best possible price

Your custom built abrasive belts are available to be shipped within **3-5 working days***
