

Plastic Guttering

FloPlast rainwater systems offer a wide choice of profile design, both traditional and modern, in a range of colours to suit all tastes and applications. FloPlast has a reputation for technical excellence and its competitively priced, quality finished products have helped establish the company as a leading supplier of PVC-U building products.

We have black and white guttering and fittings in stock and other profiles and colours available for next day delivery along with fascia's, soffits., white and woodgrain wall panels, cladding, composite decking, underground drainage, architraves, trims and sills, windows, and doors etc.

All our boards are BBA Approved and come with guarantees. We have two delivery options, next day to yard or site in the North of England and direct to site Nationally.
