

Reading Corner Sale 2023

<https://furnitureforschools.co.uk/category/reading-corner/>

We came up with new exciting offers this spring just in time for Easter! Have a look at the new range of reading corner sets including a comfortable corner seat, shelf storage and easy access book display units to create an attractive, dedicated area to promote children's learning.

You can get up to £300 discount on these new maple reading corner sets. Maple finish with tan coloured reading corner cushions, all units come with connecting bolts for extra stability. Choose from a small 3 piece, 5 piece or a large 8 piece set all of them on discount.

Add our new super soft, luxury single colour carpets to create and promote quiet independent reading and learning, square or circular in grey or navy. These super soft, single colour carpets are great for libraries and reading areas and their neutral tones are ideal for promoting quiet time.

Have a look at our other room scene role play sets including a construction corner unit and shop themed set with gate entrance and storage, perfect for setting up designated play areas within your classroom or nursery.

As usual, we can help with all your furniture requirements including room planning. Just call 0345 3 58 59 60 or email sales@furnitureforschools.co.uk . If you want to add more items to your order, ask for a quote before purchasing as we offer the best prices on the market and we make sure you get the best deal for your education environment.

Also have a look at all our discounts on our website, for dining room units, recycled plastic furniture and many more products to add to your order.

Enjoy spring!
