

ARE YOU LOOKING FOR A HGV DRIVER JOB?

TITAN Containers UK is announcing 3 vacant positions for HGV Class 1 Drivers with a HIAB License in Bristol, Hull and Tipton.

JOIN OUR TEAM TODAY!

TITAN Containers UK is a market-leading supplier of dry containers, ArcticStore refrigerated containers and Self-Storage units for both B2B and B2C. Our team is constantly expanding to create the best possible working environment so that everyone can benefit - TITAN and the TEAM behind it.

DISCOVER THE ROLE

You will be driving a state-of-the-art HGV with HIAB, moving containers in a safe and efficient manner from A to B. Delivering to self-storage sites, a customer's location or even at temporary sites set up for events such as the Commonwealth Games and festivals.

You must be compliant in health & safety, taking care of yourself and others at all times.

You must have a Class 1 HGV licence, valid tachograph and driver qualification cards with at least 3 years of professional driving experience. Preferably with an unlimited HIAB licence, however, if you have a HIAB licence with little experience then, for the right candidate, we will be prepared to pay and train you to undertake your unlimited HIAB licence.
