

# SECURE STORAGE

# SECURE STORAGE

10ft, 20ft & 40ft units

With its adaptable and portable units, Spacewise aims to provide as much space as a growing business may need, at competitive hire rates.

Available in 10ft (3.0m), 20ft (6.1m) and 40ft (12.2m) sizes, containers may be used to store a wide variety of products and materials for the short, medium, or long term. They are available in grades appropriate to the product to be stored, including food grade.

Spacewise units offer storage space of 16 cubic metres (585 cu ft), 33 cubic metres (1,165 cu ft), and 67.6 cubic metres (2,387 cu ft). These capacities accommodate 4, 9 and 19 pallets (measuring 1m x 1.2m) respectively.

Sturdy, weatherproof and vandal-resistant, Spacewise containers have an almost endless range of storage uses.

Dimensions (mm)	10ft (3.0m)	20ft (6.1m)	40ft (12.2m)
External			
Length	3,029	6,058	12,192
