

# PORTABLE ACCOMMODATION

# PORTABLE ACCOMMODATION

---

Spacewise operates a comprehensive range of modern, flexible portable accommodation to meet a diverse range of applications, from secure site accommodation to event hire, or Marketing suites to Blast resistant accommodation.

Our fast, efficient and reliable delivery service provides ideal work space solutions directly to your site, whether you need secure site accommodation, secure toilets & showers or high quality office accommodation. All our units are supplied with fittings and service connections in place.

Our nationwide depot network allows us to provide complete customer solutions to all areas of the UK.

Currently spacewise has a hire fleet of over 5000 units and have a customer base serving retail, construction, education, military, local authority, food production and event sectors.

Furniture Hire packages are available where required.

We are able to supply our whole range of portable accommodation for either hire or purchase nationwide.
