Proud to  
be double  
finalists...

We're incredibly excited and delighted to share that we have been selected as finalists in two major industry awards categories:

- Research Live - Agency of the Year
- Research Live - Best Place to Work

The annual awards celebrate excellence in the market research industry across a number of categories and are held each year in December.

In a post on its website the MRS shared that there has been a high volume of entries this year, with over 300 submitted across all categories.

It said: *"We are delighted to announce the finalists for the MRS and Research Live Awards 2023. With over 300 entries across all categories the standard of entries was extremely high and the judges had to make some difficult decisions."*

The annual awards will be held on December 5th at Old Billingsgate, London where all the winners will be revealed.

Speaking about news, DJS Research Chairman, Danny Sims, said: *"We are absolutely delighted to be announced once again as double finalists in the MRS Awards 2023 in the categories of Agency of the Year and Best Place to Work. I'd like to thank all of our incredible DJS partners for all of their hard work and loyalty to the company – you have made these awards possible."*
