An extensive range of melamine faced panels designed to meet the needs of retailers and the shopfitting industry.

Ultimate Flexibility

With over 40 plain colours, 30 woodgrains and a selection of metallic and texture effects, the Duhospan collection offers a comprehensive solution to the industry.

Providing ultimate flexibility, Duhospan offers a full variety in thickness, length and width, together with surfacing in a range of textures and finishes. Boards may be cut to size along with edging, lipping, grooving, rebating, drilling and milling any shape. From large to small quantities, our 48hr nationwide delivery service gives you the speed and reliability you need.

Duhospan combines quality, durability and design to offer an extensive range of commercial and original finishes.

Digital Printing

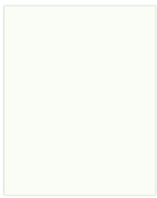

With Duho-Digital we can take any image and process it to a range of melamine faced surfaces. You can supply your own imagery, be it photograph, pattern, logo etc. or request something unique from our studio.

Whether you need promotional imagery blown up for exhibition, photographic artwork printed as a backdrop, or stunning patterns across bespoke tabletops, we can provide the solution.
