Fine Signs range of Aluminium Nameplate holders was **big** and has now got **'Bigger'!**

If we did not already have enough aluminium sign-holders to offer to our customers, we have added to our vast range and introduced a new product line giving you even more choice.

May we introduce to you the 'BLSP' Broad-Lipped Square Profile. Similar to the Standard Square-Profile (SP) the BLSP allows for the snug fitting of plastic end caps which help to secure your insert. The BLSP nameplate holders are available in Satin Silver, Polished Silver, Satin Yellowgold, Polished Yellowgold & Satin Black in a range of band sizes*. As well as pre-cut sizes these are also available in 1metre stock lengths which can be cut to any length*.

Product description: Available in Anodised aluminium these sign holders can accept a standard engraved or printed insert to slide in & out or on certain models, can be supplied with card inserts in A4 perforated format so that you can generate your own inserts. A clear acetate or a 1mm polycarbonate cover is also available to help stop the card insert from getting grubby. An outline template can be provided for the card inserts in word format to hopefully aid you (some adjustments may be required due to individual printer defaults):

Mode of fitting options for the nameplate holders:- hook & loop tape, Drilled Holes, VHB adhesive tape, Magnetic tape, Transfer adhesive tape;
Please state your requirements when ordering!

*If the BLSP option is preferred fitted with end-caps, please note that your insert would need to be reduced by 5mm in length and therefore has to be taken into consideration.

Price banded discounts for larger orders!
