Digital Multimeter

Klauke proudly presents the latest range of Digital Multimeters. The NEW DM-25, DM-45 and DM-65 feature improvements to key components and performance when compared with the previous models DM-20, DM-40 and DM-60. The new models are more versatile and easier to operate when detecting defects in electrical installations. Together with the Greenlee Lifetime Warranty the new Multimeters DM-25, DM-45 and DM-65 offer high-quality and technically advanced features essential for the professional electrician.
