

# PressCare: Machine Control & Safety Specialists

## PRESSCARE

**PressCare UK Limited** is a West Midlands based engineering company predominantly operating in the fields of power presses, coil handling equipment & automation systems. We offer a comprehensive range of services to the sheet metal industry including servicing, safety inspections, electrical & mechanical repairs, preventative maintenance programs, installations, commissioning, guarding solutions & CE marking.

We offer a comprehensive range of ancillary equipment including tool protection (load monitors, component/miss feed detection, etc), strip lubrication, scrap removal & energy saving systems. One of our specialities is the design & integration of machine control/safety systems, ranging from minor safety upgrades to complete rewires. From a modern multi-press line to an older ring frame machine, we can design, manufacture & integrate a new state-of-the-art control system to bring your press shop equipment into line with the latest safety standards.

We have a number of global manufacturing partners allowing us to tailor an individual process solution to your requirements. We provide a comprehensive service from initial advice on the correct equipment for your application to installation, guarding & commissioning, warranties, after sales technical support & ongoing preventative maintenance. We also carry an extensive range of spare parts here in the UK.

**PressCare UK Limited will be appearing at MACH2024 at Hall 6, Stand 6-33.**
