

Red Beard's Garage Now Using Macc Special 320 CSO

Have you heard of “[Red Beard's Garage?](#)”

Alongside his crew, he is well known over on [YouTube!](#) They're a group of family and friends who fabricate, customise and restore go-karts, mini bikes, golf carts and small engines whilst having quality family fun.

And Macc in association with Quantum Machinery recently supplied him with a custom [Macc Special 320 CSO](#) at FabTech Expo!

We're huge fans of Red Beard's channel and want to congratulate him on what is an incredible machine. It's truly a world class bandsaw. It's the perfect addition to aid their projects building, fabricating and welding. We know that he'll love working with it!

[Macc Special 320 CSO](#)

Why do we know that Red Beard will love working with it? Well, that's because we sell it too!

The Macc Special 320 CSO is one of the leading saws in the UK! It has a number of advanced specifications helping to solidify that leading position. This manual bandsaw is ideal for sections, steel and solids, with basic characteristics such as band wheel dimensions and the rigidity of the blade offering accurate cutting with all usage.

Visit Anton Saws

As the number 1 saws and machinery provider in the UK, we have the knowledge and experience to help you with all industrial saw inquiries – including information on this featured manual bandsaw and more!

We're proud to sell the complete range of Macc saws, comprising 48 models of circular saws and bandsaws, as well as saw blades, spare parts and servicing for the Macc saw range.

Additionally, this excellent service doesn't stop once you have received your product, we are committed to ensuring your saws and machinery remain in the condition they were when you bought them.
