FLETTON QUAYS

Project Name:
Fletton Quays
Peterborough

Contractor:
Bowmer & Kirkland

Architect:
Harrison Stevens

SUPPLY +
INSTALL

Fletton Quays is a brand new office and residential development located in the heart of Peterborough, close to the River Nene. Langley Design worked with Bowmer & Kirkland to come up with a street furniture solution that would compliment the surrounding areas. We provided multiple timber clad cycle shelters & bin store units along with timber topped concrete benches, seats and loungers to enhance the new environment.
