BESPOKE BIN STORE COMPOUND CLAD UNIT

Project Name:
UTC Oxfordshire
 Didcot

Contractor:
Kier

Architect:
ADP Landscape Architects

UTC Oxfordshire is a brand new technical college specialising in life sciences, physical sciences and engineering. Langley Design worked alongside Kier to provide the UTC with a whole package of street furniture to complete the scheme. Some of the products supplied included cycle shelters, benches, picnic tables, a timber pergola, bollards, litter bins and cycle racks.
