

**USED MACHINES,
REFURBISHED
&
READY TO
RUN**

Top performance at a fair price:

A brand-new machine isn't always necessary.

Our fully refurbished machines offer a reliable, cost-effective alternative – expertly overhauled, tested and ready for operation.

- ⌘ Refurbished at our Telford (UK) facility
- ⌘ Key components replaced with original RSA parts
- ⌘ 3-month warranty when used with RSA brushes and spare parts
- ⌘ Optional on-site service by trained RSA technicians

Get RSA quality at a fraction of the cost – while stocks last!
