

IM110 Back In Stock!!!

Our IM11010 long backplate, multi-point door handles are now back in stock...

And even better news, it is part of our new 2016 Price Fix promotion (tune in next week for more info)!

These are available in a wide range of colours including:

- White Powder Coat
- Polished Silver + ElectroCoat
- Polished Gold + ElectroCoat
- Brushed Silver + ElectroCoat
- Gloss Black + ElectroCoat ****NEW****
- Beach Gold + ElectroCoat
- Beach Silver + ElectroCoat
- Smoked Chrome + ElectroCoat

[Request Pricing](#)

The IM11010 comes with a 120mm spindle and 2 sets of colour matching screws plus an integrated metal caged double side spring - designed to last mechanically and visually.

The total plate length is 242mm, with 92PZ Euro Cylinder centres and 211mm screw centres. As expected, the external side is fully concealed and our Image handle is fully reversible for easy and quick installation.

If you are an account holder, you can simply order these through your online account, otherwise please just click the link to request pricing and open an account with us.
