

Press Release

FÜRSTENFELDBRUCK, January 2016

Güntner: Odd Harry Hansen new Sales Representative in Norway

Güntner reinforces sales in Norway

Since January, Odd Harry Hansen has supported the Sales team for Güntner in Norway. Given the positive market developments and opportunities, Güntner plans within the framework of a long-term strategy to expand its position particularly in the market segment "CO₂ applications". Odd Harry Hansen has many years of experience in the refrigeration and air conditioning industry and previously worked as Sales Manager for Norsk Kulde AS.

With Odd Harry Hansen, Güntner is providing the Norwegian customers with a highly qualified expert, ensuring prompt support in the national language. In his new function, he reports directly to Miguel Garrido, Sales Director Western Europe.

About Güntner

Based in Fürstfeldbruck near Munich, Germany, Güntner GmbH & Co. KG is a world leader in the manufacture of refrigeration and air conditioning equipment components. With approx. 3,000 employees worldwide and production sites in Germany, Hungary, Romania, Indonesia, Mexico, Brazil and Russia, the company shows a strong presence for their partners in all markets. Decades of experience in the industry and the consistent integration of the latest technologies and research findings ensure the high quality standard of Güntner solutions. The international areas of application comprise energy & process cooling projects, industrial and commercial applications in the field of food production and storage as well as HVAC applications for buildings and specific applications such as server room cooling.
