

Best sellers Furniture for Colleges Autumn 2024

With the new term that just started we recommend some of our most popular product from our premium ranges for colleges, universities and schools.

The Clerkenwell modular reception and staffroom seating with simple lines is adaptable to fit any space. You can choose. Solidly constructed frames and elasticised webbing, this range of modular soft seating is comfortable, hard-wearing and extremely versatile. And with a selection of seats, including one arm, two arms, no arms or corner cubes as well as complementary coffee tables, you can configure it to perfectly accentuate any seating area. For the full colour range including larger images of the colours please head to our website and if the colour you want is not shown against the product please email sales@furnitureforschools.co.uk and we can place the order.

We also recommend a range of tables and bench sets. Have a look at the dining table and bench sets that include free delivery. These sets can be made to any size, please call the office on 0345 3 58 59 60 or email sales@furnitureforcolleges.co.uk for a quote.

Second the mobile tilt top tables with optional accessories. Compact and easy to manoeuvre these tables are perfect for training and breakout areas.

Last, but not least some seating options. For the indoors the upholstered stools. Attractive chrome legs, square or circular shaped seat. Orders of 10+ will receive a £10 per stool discount. Free delivery when buying min. 2.

For the outdoors: The outdoor modular seating: versatile, maintenance free, recyclable plastic furniture that comes with free delivery. Some simple self-assembly is required with this product that has a stone effect coloured box sections for a premium look. Check the style on our website.

Don't forget about our extra services: project planning, get a quote and the 30 day credit. We offer an extensive furniture range to choose from we can also source most other furniture from the UK and Europe.
