

Sales and new furniture for colleges items

This month we have thought about bringing some offers to all educational spaces and institutions from nurseries to schools, all levels and colleges, but as well as any office spaces.

For colleges we have a special offer: buy 3 or more power ready cafe tables and receive £25 per table discount. You can choose from a coffee, dining or poseur height tables and delivery is on us.

Regarding seating we recommend taking a look at the colourful Polytone seating collection: three types of visitor, conference and dining chairs. Three different characters which will blend in perfectly with different office settings and will be ideal for a variety of activities – meetings, collaborative work, conferences, short-term tasks or relaxation.

Your office will look better with the contemporary grey fabric armchair, stylish and functional with padded fixed arms and a 5 star base which makes the chair extremely mobile and ergonomic.

If you're looking for a typical back operator chair, we think the uniquely shaped back and headrest of our high back operator chair with headrest is the perfect solution as it adapts to the user's back and provides just the right amount of comfort and support. You can also opt for the new Oxford chair designed to assist the user with back problems. It has a sculpted fully upholstered extra high back, with a memory foam seat to aid comfort and posture.

Last but not least, for meetings and boardroom seatings we have the perfect chair: the new Sevilla meeting chair coming in several swatch colours. Just head to our website and have a look.

For the lunch area of your workplace or for a coffee place, we have the vintage suede bistro seating, available as a side chair, armchair or high stool and in 6 vintage suede finishes. Add a box frame dining bench o table, single or double and you're all set!

We even thought about your reception. Have a look at the new modular reception counters made up of rectangular and curved modular sections to create a commanding reception feature that will make a good first impression. Available in a beech or beech and white finish, the units have cable ports to avoid clutter from computers or phones with the counter tops providing the required privacy where needed.

As usual, we're one phone call away and all orders over £250 excluding VAT are delivered FREE to mainland UK.

Contact as via email and don't forget we offer project planning and installation services upon request: sales @furnitureforschools.co.uk
