Supporting Breakfast Clubs: Harfield Tableware's Role

To ensure breakfast clubs can deliver meals efficiently, safely, and in a child-friendly environment, **Harfield Tableware** plays a vital role. As a leading supplier of **durable, practical and high-quality tableware**, Harfield provides a comprehensive range of products designed specifically for schools, nurseries, and [educational catering services](#).

Our collection offers tableware to make mealtimes easier, fresher, and more enjoyable:

- **Bowls for every occasion** – from breakfast cereal and porridge to fruit salads and snacks, available in a variety of styles and sizes.
- **Stackable cereal containers** – keeping your food fresher for longer while saving space with smart storage solutions.
- **Cutlery in handy sizes** – choose from small or standard, perfect for every meal.
- **Tumblers and beakers** – a practical choice for both hot and cold drinks.

How Harfield Tableware Helps Schools Deliver Excellence:

-  **Wide Product Range:** From colourful plates and bowls to stacking beakers, trays, cutlery, and jugs—Harfield offers everything a breakfast club needs to serve meals effectively.
-  **Durability for Daily Use:** Tableware made from virtually unbreakable polycarbonate is ideal for high-use environments like school canteens.
-  **Child-Safe and Easy to Use:** Lightweight, ergonomically designed pieces make it easy for younger children to use independently, encouraging good eating habits and reducing food waste.

-  **Cost-effective:** All tableware can be reused during lunch time, helping schools save money
-  **Dishwasher-Safe & Eco-Conscious:** All products are dishwasher-safe and built to last, supporting schools' sustainability goals by reducing the need for single-use alternatives.
-  **Customisation Options:** Schools can brand their tableware or colour-code sets to streamline service and create a fun, welcoming dining atmosphere.

By partnering with schools and catering providers, **Harfield Tableware helps create a seamless, enjoyable dining experience** – ensuring the focus remains on nourishment, learning, and student wellbeing.
