

London South Bank University

Opening its doors in July 2022, the new London South Bank University (LSBU) transformation is ready for action. LSBU has transformed its London Road campus by modernising its facilities, learning spaces and technology to serve the needs of generations of students, staff and the wider community.

Brief: LSBU needed the full washroom package, from changing rooms and showers to toilet washrooms. They needed products that would suit a busy university environment and to withstand the test of time.

Solution: Our Splash cubicles were the perfect choice providing water resistant and durable cubicles that can be used across the shower, changing and toilet washrooms. Chosen alongside Aquasafe Lockers and Aquabench to finish off the changing rooms.

Splash Cubicles:

- Splash provides a modern design, with set-back pedestals creating a floating appearance and a cubicle fascia free of exterior fixings
- Made of Solid Grade Laminate a robust, water and vandal resistant material– able to withstand the test of time
- All divisions and pilasters fixed with U channels for quick and easy installation whilst also providing a sleek look and finish
- Splash features our slide operated indicator bolt with emergency release facility so it's a safe and reliable choice for universities
- With over 30 laminate colours to choose from LSBU chose Woodland, a beautiful wood grain effect laminate, a great cost saving alternative to Real Wood Veneer

Aquasafe Lockers and Aquabench Seating:

- SGL 2 and 4 tiered lockers with digital pin locks
- Hard-wearing and water-resistant Solid Grade Laminate carcass and doors
- Pre-assembled for ease of installation
- Size and configuration flexibility
- Range of locking mechanisms including keypad locks specially developed to meet the needs of each individual washroom
- To complement the Aquasafe Lockers, Aquabench seating was chosen to complete the changing rooms. Delivering durable changing room benches and a practical seating solution, Aquabench offers a choice of flexible styles and seating options

PDQ Panel & Frame:

- Solid Grade Laminate for reliability and durability
- Quick and easy installation
- Twice as quick to install compared to traditional timber frames
- Panels arrive labelled and pre hung for ease
- Lockable top panel for extra security
- Available in over 30 laminate colours so you can match your duct panels to your cubicles
- PDQ Vanity & Frame underpanels to match
