

## BERKER INTEGRO MODULAR RANGE

Berker Integro Modular Range – Stocked  
By UK Wholesaler Alan Butcher  
Components

Alan Butcher Components is the official supplier of Berker Integro sockets and switches to businesses in the UK. The modular system offers flexible, stylish, and safe electrical solutions for both commercial and leisure sectors.

The Berker Integro modular range is used in a variety of applications across the following industry areas:

**Leisure vehicles** – caravans, motorhomes, and boats.

**Commercial spaces** – offices, kitchens, and laboratories.

**Special vehicles** – emergency, horse-boxes, and mobile workshops.

**Industrial environments** – power distribution panels and workstations.
