

## Houses: efficient heating

### Customer brief

To provide a heating solution for a residential house.

### Background

This house is a 3 bedroom house in Hazlemere, High Wycombe.

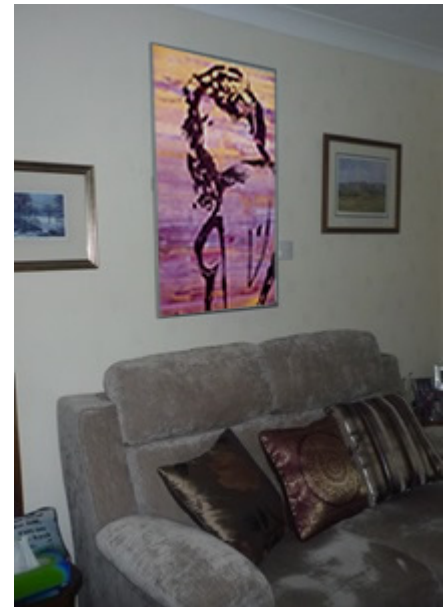

### Solution

The house had a variety of panels installed:

- An extra large picture panel in the living room
- A mirror heater in the bathroom
- 0.89 kW heater in the hallway.

### Results

- ✓ Cost effective heating for domestic purposes
- ✓ The variety of panels provide stylish décor and functional use for the house.

“Many thanks for a great product”.
