The UK's Leading Manufacturer of Mail & Parcel Boxes
— Since 1986 —

SCAPE STUDENT LIVING - CORSHAM STREET, LONDON

Ryan

The summer holidays are fast approaching and now is the perfect time to upgrade your mail and parcel delivery solutions – just like Scape Student Living have done in Corsham Street, London.

The Scape Student Living - Corsham project features multiple banks of freestanding post boxes located in the entrance lobby to the student accommodation building. The mailboxes are an in front / out front horizontal type fitted back-to-back which maximised the amount of post boxes fitted in the installation area.

The banks of mailboxes contain products finished in a variety of colours that adhere to the branding guidelines set out by the design team at Scape Student Living. The colours used progress through colour gradients which both complement and enhance the lobby area of the project.

We can meet any project requirements including the comprehensive range of RAL colour finishes, engraving, vinyl lettering, parcel delivery boxes and multi-height solutions.

Take a closer look at the project by clicking below:

"The Safety Letterbox Company produced a high quality visually interesting back to back arrangement of mailboxes for our reception area at SCAPE – optimising the use of space and providing an interesting and functional mailbox arrangement."

- Tom Devaney, Managing Director, Scape Student Living
