on the specification of hinge systems.

THE ADVANTAGES AT A GLANCE

SELECTION OPTIONS

› Filter according to scope of application,
door functions and product versions

USER-FRIENDLY INTERFACE

› Quick search and intuitive navigation

PRODUCT PHOTOS AND DRAWINGS

› Easy to understand with product pho-
tos, finishes, views and cross sections

DOWNLOADS

› Individual download of product data
sheets, CAD-drawings, routing data
and specification texts

SEARCH OPTIONS

› For hinge system parts, installation
tools and technical information

THE INNOVATIONS

TECHNICAL ASPECTS

- › Notes on technical features, testing, adjustment instructions, finishes and much more
- › A calculation tool for easy calculation of routing widths and for identifying calculation formulas to find the matching hinge pocket

VIEWS

- › Pictures of alternative finials, finishes and detail views

INTEGRATION OF THE CLASSIFICATION KEY

- › Classification key for hinges that are tested according to the European Standard EN 1935

INTERNATIONAL

- › Integration of the PRODUCTSELECTOR on all country websites globally available: www.simonswerk.com
