

Bespoke Round Table Tops

We specialise in manufacturing bespoke round table tops in Copper, Brass, Zinc, Pewter, and Aluminium, up to a diameter of 1000mm.

Introduction to Bespoke Round Table Tops

Elevate your space with our custom-made bespoke [round table tops](#), manufactured in brass, copper, zinc, pewter, aluminium and steel, finishes including natural, aged patina, mirror, and hammered. Our table tops are tailored to your specifications, ensuring a perfect fit for your project.

Our hammered round table tops are gaining popularity as the [hammered brass](#) fashion develops, [hammered copper](#) round table tops add warm tones to a hospitality setting

Design Options

We take pride in our craftsmanship and precision, utilizing our [CNC wood router](#) to create timber cores in MRMDF or Birch plywood. For bull nose edges, the timber blanks are expertly turned on a wood lathe to achieve the desired radius.

Metal Sheets Ltd offers tops up to 50mm thick with the option of a square or 25mm radius bull nose, providing versatility for your design. Personalize your metal table tops with custom engraving using our advanced CNC engraving machine.

Need design assistance? Our CAD department is ready to collaborate with you every step of the way. Whether you have a clear vision or need guidance in creating the perfect table top, our dedicated team is committed to your satisfaction.
