ESPEC

UNLOCK COST-EFFICIENT ENVIRONMENTAL TESTING WITH RENTAL CHAMBERS

In a volatile economy, Unitemp is here to support your environmental testing without substantial upfront costs. Rent our

ESPEC Environmental Test Chambers monthly for straightforward flexibility in meeting your testing needs.

Why Choose ESPEC Rental Chambers from Unitemp?

Wide Range of Options:

Unitemp can supply environmental test chambers for Temperature, Humidity, or Vibration, with sizes ranging from a few liters to several hundred cubic meters. Our extensive range is unsurpassed in the UK.

Common Sizes and Specifications:

Choose from common sizes ranging from 60 to 600 liters, equipped with temperature capabilities from -65°C to +150°C. Most climatic chambers in our inventory offer a humidity range of 20%RH to 95%RH.

Flexible Rental Periods:

Hire periods are on a monthly basis, providing you with the freedom to rent only when needed. Whether you require short-term testing solutions or prolonged evaluations, Unitemp has you covered.

Seamless Transition to Ownership:

Unitemp offers the flexibility for customers impressed by our chambers to easily transition from rental agreements to ownership. Our team is ready to negotiate favorable financial terms, accommodating your needs.

Convenient Delivery and Collection:

Chambers will be delivered to your site and collected at the end of the hire period, ensuring a hassle-free experience for your testing projects.
